MESH tour to S.E. Asia.

Childhood studies group cared for 12 children aged 3 - 5 years.

Ski trip.

### Praise for students in Anzac parade

I WOULD like to congratulate the young people of Bunbury who so beautifully paid their respects to our forefathers at the recent Anzac Day Service and parade.

My special congratulations to the prefects from Bunbury Senior High School who were a credit to their school in every way.

Your uniform and attitude were of the highest standard and as both a parent and past student you made me feel very proud.

Well done!

(Name and address withheld by request).

## **1989**

Students raised \$16250 in a Fun Run for the school.

Students cruised on the "Evening Star" around the Abrolhos Islands.
