Senior School Graduation and WACE

All students in Western Australia must attend school or participate in an approved alternative option (apprenticeship, employment, further training eg TAFE) until the end of the year in which they turn 17 years and 6 months of age, or complete Year 12.

At Bunbury Senior High School we are able to offer a broad range of courses in pathways that cater for different academic abilities. We aim to have all of our Senior School students qualify for the Western Australian Certificate of Education (WACE) at the end of Year 12.

In preparation for 2018, students will choose **one of three pathways** listed below, and will make their course selections from within that pathway.

Pathway 1: University - For students preparing to go to university at the end of Year 12.

- Students will receive an Australian Tertiary Admissions Rank (ATAR) that is recognised by universities across Australia. Students will study a minimum of four (4) ATAR courses that have an external examination at the end of Year 12 and a maximum of two (2) General courses / Endorsed Programs / Certificate courses.
- In order to attain an ATAR and gain direct entry to university, students are **strongly recommended to select at least five (5) ATAR courses** of which four (4) will count in the calculation of the ATAR at the end of Year 12.
- Students who intend to select an ATAR pathway must choose their courses carefully, considering their academic performance, study habits and career aspirations. Discussions should be held with their class teacher and/or Head of Learning Area when considering the suitability of courses in that learning area.

Pathway 2: VET in Schools (VETiS) - For students preparing for further training or employment at the end of Year 12.

- Students will study up to **five (5) Courses** and a VET qualification or Endorsed Program.
- Successful completion of this pathway will prepare students to pursue employment or further training.
- All students will be enrolled in a Vocational Education and Training (VET) Certificate II qualification either at an external Registered Training Organisation (RTO) or at School.
- Students can attend school for four (4) days and off-site training one (1) day per week, usually Friday.

Pathway 3: Pre-Apprenticeship in School (PAiS) - For students who are enrolled in a more intensive training program.

- Students will study **four (4) Courses** (or three (3) if they choose a VET qualification or Endorsed Program at school).
- Successful completion of this pathway will prepare students to pursue an Apprenticeship, Traineeship or move into further training or employment.
- All students will be enrolled in a Vocational Education and Training (VET) Certificate II qualification at an external Registered Training Organisation (RTO).
- Students will attend school for three (3) days and off site training / Workplace Learning two (2) days per week, usually Thursday and Friday.

FEES - Registered Training Organisation (RTO) fees may apply. 2018 fees have been estimated and are indicated with the course description of the Senior School Handbook.

In 2017 the school paid all RTO fees and there was no cost for students. The school hopes to do this again in 2018 providing resources allow. More details will be provided in Semester Two.

Pathway and Course Selection Instructions

1. Students identify the pathway they wish to pursue and complete the relevant page (in the following section) related to their chosen Pathway.
2. Choose the required number of courses using the Senior School Handbook 2018 as a reference.

In order to achieve the WACE at the completion of Year 12, students are required to study one pair of course units from each of List A (Arts / Languages / Social Sciences) and List B (Mathematics / Science / Technology).

A copy of the Senior School Handbook 2018 can be found on the school website at;

<https://www.bunburyshs.wa.edu.au/>

→ Curriculum - Senior School – Senior School Handbook

3. Choose two (2) reserve courses.
4. Sign and date the back page.
5. Book a mentoring meeting (through PTO, login details were mailed out). Bring this selection booklet to the meeting.
6. This booklet must be returned to the Front Office at school by Monday 31 July 2017.

Note:

1. *Although the school makes every effort to accommodate each student's course choices, insufficient students choosing a course and/or grid line clashes may result in students having to re-select a course. You will be informed should this eventuate.*
2. *Heads of Learning Area and Year 10 class teachers will make recommendations to students for each course, based on past performance and current achievement.*

Acknowledgement of Senior School Enrolment

Bunbury Senior High School's values enable and support our students to develop their;

LEARNING - *As lifelong learners we extend ourselves, through active curiosity and self-reflection, beyond what we already know and do - to know and do a little more.*

COLLABORATION - *We work together, share ideas and expertise and support each other to achieve individual and collective excellence.*

DIVERSITY - *We embrace, accept and celebrate the people around us.*

COURAGE - *We have fun taking risks, giving new things a go and challenging ourselves to explore our full potential.*

WELLBEING - *We believe life is about balance. We are mindful to make healthy choices for our mind, body and soul.*

The support of parents and cooperation from students is most important if our school is to fulfil this purpose. Parents and students are asked to acknowledge the commitment required of them and the understandings of this selection process so that we can pursue our vision.

We understand and acknowledge;

- Bunbury Senior High School conducts a process to support students and their parents to make informed decisions on choice of pathway and courses.
- This is an important stage of the course selection process however initial course selections cannot be guaranteed to run because of resourcing implications.
- Although every effort is made to run a course over two years, some courses studied in Year 11 may not continue to Year 12 because of resourcing implications.
- Some courses may be delivered out of school hours and combined with other schools because of resourcing implications.
- All students who enrol at Bunbury Senior High School must comply with the school code of behaviour and dress code.
- Students who choose a Vocational Education and Training (VET) program at an off-site Registered Training Organisation (RTO) must abide by the RTO's code of conduct.
- Late return of this document may impact on the availability of courses and VET and endorsed programs.
