Bunbury Elite Sports Training (BEST)

The Bunbury Elite Sports Training (BEST) Program is an endorsed Department of Education Specialist Program only available at Bunbury Senior High School. The program has been developed to help maximise the potential of talented students in the area of sport. A selection process is used to identify suitable students.

The Year 7, 8 and 9 program has a compulsory charge of approximately \$400, which includes the BEST camp. The Year 10, 11 and 12 program has a compulsory charge of approximately \$120. Payment must be made prior to commencement of program.

In the Visual Arts Specialist Course students will learn through engagement in two-dimensional, three-dimensional and four-dimensional art and design practice, concept, theory, history and technique based on traditional, contemporary and commercial Visual Arts practice. This program has a compulsory charge of approximately \$95. Payment must be made prior to commencement of program.

Selection processes for BEST and VASP are generally conducted in May or June of the year prior to enrolment.

CURRICULUM INFORMATION

The School Curriculum and Standards Authority is the independent statutory authority responsible for school curriculum and assessment, establishing standards for all Western Australian students from Kindergarten to Year 12.

SCSA determines the curriculum, guiding principles for teaching, learning and assessment, and support for teachers in their assessment and reporting of student achievement.

Learning Areas

All lower school students are offered a program of study which addresses the outcomes of eight Learning Areas:

- The Arts
- English
- Health and Physical Education
- Languages
- Mathematics
- Science
- Humanities and Social Sciences
- Technologies

Choice of Course

Every attempt is made to accommodate each student's choice of course. However, due to staffing and rooming constraints, final decisions will be at the discretion of the school. Course selection decisions represent a year's commitment and may not be subject to change. The school does not guarantee that courses apart from English, Mathematics, Science, Humanities and Health and Physical Education, will continue after Year 9.

Music Students

Students who have been learning an instrument through Instrumental Music School Services (IMSS) at their primary school can continue into the Music Program at Bunbury SHS by indicating this on the Year 7 Selection Sheet at the time of their enrolment. Students in this program are required to attend a weekly lesson, be enrolled in Music Mastery and join an appropriate ensemble. These ensembles are; Vocal Ensemble, Jazz Band, Junior Band, Senior Band or Guitar Ensemble. Junior and Jazz band and Vocal Ensemble rehearsals are for one hour per week and Senior Band rehearsals are for 90 minutes per week, out of school hours. Guitar ensemble rehearses during lesson time, three times per term and Music Mastery is a designated music class that occurs during the normal school day, twice per week.

New instrumental students may join the music program in Year 7 with lessons available in guitar, voice and percussion. They will need to enrol for both instrumental lessons and Music Mastery (classroom music). Please note that instrumental lessons are only available to students who are enrolled in Music Mastery. Students who study instruments privately are encouraged to enrol in Music Mastery and play in one of the School Ensembles. New students will need to have an audition interview before their place in the program is confirmed.

Senior School (Year 11 and 12)

All students in Western Australia must attend school or participate in an approved alternative option (Apprenticeship, employment or further training e.g. TAFE) up to the end of the year in which they turn 17 years and 6 months of age or complete Year 12.

At Bunbury Senior High School we aim for all our Senior School students to attain The Western Australian Certificate of Education.

We offer Pathways and a broad range of courses that cater for different academic abilities. In 2019, students will choose one of three Pathways and will make their course selections from within that Pathway.

Listed below are the senior school pathways:

Pathway 1: University - For students preparing to go to university at the end of Year 12.

Pathway 2: VET in Schools (VETiS) – For students preparing for further training or employment at the end of Year 12.

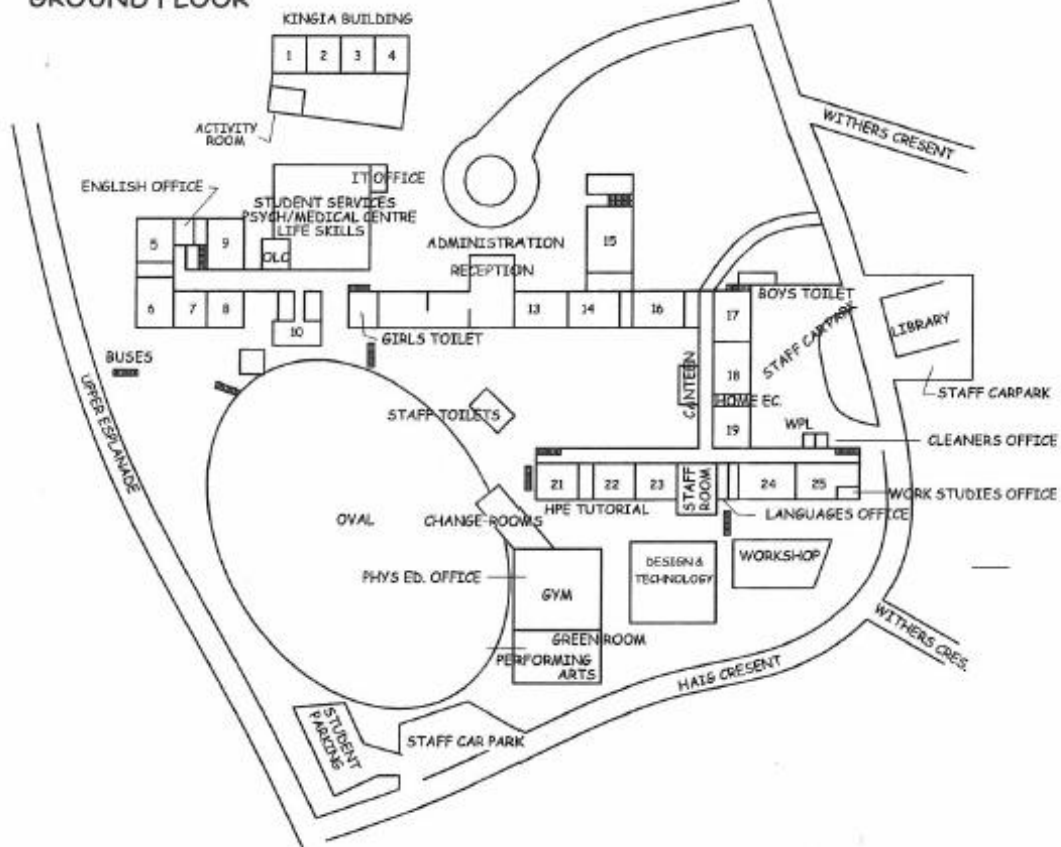

Pathway 3: Pre-Apprenticeship in School (PAiS) – For students who are preparing for apprenticeships or Traineeships in trade areas.

**Note: Health Education for all year groups involves aspects of relationships education. Topics such as reproductive anatomy, conception, contraception, STI's and social issues related to sexuality will be covered.
