Dear Parents/Caregivers

Bunbury SHS uses SmartRider as its Student ID/Library Card system. The ID card, similar to that displayed below, will have several functions.

One side of the card will be the SmartRider card which enables students to access concession travel on Transperth bus, rail and ferry services, and TRANSWA country road and rail services.

The reverse side of the card will allow students to borrow school text books and resources from the library. It can also be used to receive student concession.

The card production is outsourced, and the company will need to access information about your child from the school database.

If you **do not** wish your child to be issued with an ID card, you must sign the slip below.

Please contact the library if you have any further questions.

Yours sincerely

Library Staff

Please complete if you **DO NOT** wish your child to be issued with an ID card.
